

Health Volunteers Overseas
Improving Global Health Through Education

Our Pledge to Donors

- HVO does not share or sell the names of donors and members.
- We will not bombard you with mail asking for more money. We will send you our semi-annual print newsletter, the monthly electronic newsletter, *The Net Connection*, an annual report, and an occasional update on our programs. And, once a year, we will come back and ask you for your continued support.
- We are happy to send you a copy of our most recent audited financial statements. Just call the office at 202-296-0928. Copies of this report are also available on the HVO website.
- We will use your gift as you designate.
- Your gift will be acknowledged promptly and accurately.
- We list all donors in our annual report. If you do not wish to have your name included, please let us know.
- We will use your gift wisely and efficiently.

If you have any questions or need any further information, please contact HVO at giving@hvousa.org. Thank you for your support!
